We are happiest when God comes first

God's love for each of us is personal, individual, and never ending - and there is no lasting happiness without him. Yet without our intending, our relationship with God can fade into the background of a busy life. Try these tips for staying centered:

Make time with God a priority. Try not to skip devotions. For example, if you miss your morning prayer, make it up later in the day. If called away from your time with Scripture, pray a rosary later instead. Stay connected with the one who loves you most.

Attend Mass every Sunday and do whatever is necessary to receive Holy Communion. It is in the Liturgy that Jesus is truly present to us. Benefit from your time together.

Pay God first. It takes money to do God's work in the world and the top funding source for the Catholic Church's ministries is her generous people. Set aside a portion of every paycheck for charity just as you do for your rent or mortgage. Write that check first.
