Everyone is asked to randomly pick a priest's name out of the container and pray for that priest for the rest of the year. Please support our goal of having prayers said for every single one of our priests! "The priesthood is the love of the heart of Jesus" (St. John Vianney)

Why do Catholics give new names at Baptism?

Catholics often give their children new names at Baptism to celebrate the new spiritual life of the one being baptized. In the Bible, name changes were often

associated with significant life-changes, for example, Simon's name was changed to "Peter" when Jesus singled him out to be the first pope (Matthew 16:18). Often a saint's name will be chosen at Baptism, as a way of placing the baptized person under the patronage of the saint as their intercessor and model in holiness.

THE INTERCESSOR'S CORNER
St. John XXIII

Angelo Giuseppe Roncalli was born to a poor farming family in Bergamo, Italy. His ordination as a priest in 1904 began a lifetime serving the Church as: the bishop's secretary, a military chaplain, cardinal-patriarch of Venice, and finally, as pope. Even so, St. John never forgot his humble origins, and he was known for visiting the poor, the sick and prisoners. As pope, he is most remembered for opening the Second Vatican Council. He died in 1963.
